Sessions last a minimum of one hour.

We can decide together which reading will be best for you:

Natal Chart:

This reading defines your personality and life purpose. It is a good place to begin if you have never worked with your astrological chart because it gives you the

basics.

#### Progressed Chart:

This reading is more advanced and builds on the natal reading.

#### Relationships: Synastry and Compatibility Chart:

This reading compares the strengths and weaknesses between two people. It can be used for love, business, or family relationships and is particularly useful when planning a partnership, whether personal or professional.

#### Career Charts:

This reading offers you career and vocational guidance.

#### Health Charts:

This reading is for issues concerning your questions of wellness.

#### Rectification Charts:

This reading is for people who aren't certain of their birth time. I can work backwards using events in your life to generate your time of birth.

## Newborn and Children's Charts:

These readings can be done in person or written out for you. Children's charts make wonderful gifts.
